Jolee Ronson is a bored housewife from Leeds looking to get down and dirty with her next door neighbour.

Il've been married for a while now, but I'm not a one man kind of woman. I like to flirt a hell of a lot which my husband knew before he married me. right there and then in his car.

The other day he was out for a run and he stepped outside his house with a tight vest on that showed off his incredible abs. His trousers were pretty tight too and I could see a massive bulge in his pants. I was just imagining his massive cock popping out from his pants and sliding into my very horny, wet pussy. I think it would be amazing.

Jenny's husband Mitchell has a fantasy, which includes watching other people fuck his wife. Jenny tells us, "I knew Mitch was kinky when I first met him but as time has gone on I've realised the depth of his kinkiness. It all started with sex in public places and a sneaky blowjob in the toilets of our local pub, but things slowly progressed to inviting his mates round and asking me if I'd like to fuck them. At first I thought he was joking but when I took an interest in one of his very attractive friends called Steve I realised it wasn't a joke. He told

me I'm going to leave the room and whilst I'm gone, seduce him. It didn't take long before Steve's trousers where round his ankles and he was blowing his load in my mouth whilst whispering 'Quick quick, he'll be back in a minuet'. Little did he know that Mitch was watching is through a crack in the door. This was the first of many. Now he has a camera set up in our bedroom and I lour the guy in there to fuck me as Mitch watches in the front room."

The first time we met Jasmine Cohen (she's the short brunette) all she wanted to talk about was her love of cock. In case you've never had the pleasure of seeing Jasmine before we'll fill you in briefly on what she had to say about her favourite subject. To our delight Jasmine also told us about a new friend she had made and how she's discovered that there's more to life than just cock, apparently pussy tastes pretty damn good too!

'm a little bit obsessed with a certain part of a guy's body and ever since I first had sex I've been on a mission to find the perfect cock! They say that there's one perfect cock out there for every women and I've had a few cocks in the short amount of time I've been sexually active. Some girls like them small and others like them large, and I'm one of those girls who likes a large cock in her pussy, making my insides stretch to their very limits!"

"My husband isn't just a keen amateur photographer, he's also a dirty old pervert! We've got such an amazing sex life and the orgasms I'm having now are so much better than when I was fucking in my twenties and thirties. George always pays special attention to my breasts and he loves sucking on my erect nipples. He always tells me that my nipples taste so beautiful but they're nothing in comparison to how sweet my pussy tastes."

**■** When I tell people that I'm single they can hardly believe it, and then when I tell them that I'm also almost 50 they think that I'm just a plain liar! I've always been a career orientated person and have never really had time for a serious relationship. That's not to say I haven't had my fair share of toy boy cock, because all the guys in the office can't get enough of me, I'm definitely the office slut. I'm now more interested in meeting someone similar in age to me, but not older, who I can have a meaningful relationship. I don't want someone boring who doesn't enjoy the same sort of things as me so appearing like this with no clothes on sends a signal out as to what type of guy I want. I still think that I'd be one hell of a catch for someone out there but you must be warned that I will take no prisoners. I'm very serious about this and I'm desperate to get my hands on a nice bit of cock for good. I'm picturing it now, what it would be like to have a throbbing veiny cock inside me, it's making me so wet!"

Harriet from London is sex mad but finds it hard meeting men.

love sex and I cant get enough of it. My only problem is finding enough men to fuck me. I'm a raving nympho on the inside but quite a shy woman on the inside. I've had quite a few sexual partners but they have all been men that have approached me. I'm hoping that this photo shoot will tempt your readers in to contacting me. I got so wet at this shoot that I got a little embarrassed but the photographer said not to worry because it would only turn your readers on more. I hope he's right. So if I turn you on and you have a great wank over my photos then why not meet me so you can do it in person.'
